Supplementary Distribution GOP VR: Synchronization rights for User-generated-content (UGC) - YouTube and Facebook/Instagram collections 2022

Dear member,

your payouts dated 29/02/2024 may contain in your document "Gutschrift zu Kontoauszug" the following supplement items:

- GOP VR Zuschlag 2022 K HR UGC YouTube
- GOP VR Zuschlag 2022 T HR UGC Facebook Instagram
- GOP VR Zuschlag 2022 V HR UGC YouTube

These are payouts from collections of assignment of synchronization rights for non-commercial UGC from YouTube and Facebook Instagram in 2022.

Prerequisite for receiving royalties is, that GEMA is allowed to licence synchronizations rights on your behalf and that you have not objected to the amendment of the deed of assignment 2020.

If you would like to withdraw the objection, please contact our membership department mitgliederpartner@gema.de.

The distribution shall be carried out to rights holders as a supplement to the respective annual income for financial year 2022. The commission amounts to 10 %.

You can find more information about the distribution for mixed online platforms under:
